COMMITTEE ON THE PEACEFUL USES  
OF OUTER SPACE  
Legal Subcommittee  
Fortieth session  
Vienna, 2 - 12 April 2001

**LIST OF INTERNATIONAL AGREEMENTS AND OTHER AVAILABLE INTERNATIONAL  
DOCUMENTS RELEVANT TO SPACE-RELATED ACTIVITIES**

**Note by the Secretariat**

1. At its thirty-seventh session in 1998, the Legal Subcommittee agreed that the Secretariat should be requested to prepare, within existing resources, a list of international agreements and other available legal documents relevant to space-related activities, indicating where they might be found, as a working document for member States. The Committee subsequently endorsed this recommendation of the Legal Subcommittee at its forty-first session (A/53/20, para 144).
2. A preliminary list was prepared by the Secretariat in accordance with the above-mentioned request, and presented to the Legal Subcommittee at its thirty-eighth session in 1999 for consideration (A/AC.105/C.2/1999/CRP.5).
3. A revised version of the above-mentioned list, incorporating the comments and responses received from Member States, was published in a booklet for reference during the UNISPACE III Conference in July 1999.
4. This publication of 2001 is an update of the above-mentioned booklet and includes a number of older documents that were not listed in the previous edition, as well as recently published documents and the sources of information. Wherever possible, treaties, agreements, etc. have been listed according to their date of entry into force rather than signature.
5. After every document an abbreviation is listed for the source from which a copy of the document can be obtained. There is a source abbreviation key at the end of the list, giving more detailed information on each source cited.
6. Due to the limitations of existing resources it has not been possible to officially edit or translate this publication. An electronic version of the list may be obtained upon request from the Office for Outer Space Affairs or directly from the Office's homepage at >><http://www.oosa.unvienna.org><<.
